## **Information about the membership of the Franken Knights e.V.**

Dear member or future member of the Franken Knights,  
thank you for your interest in becoming a member of the Franken Knights e.V. In this leaflet we would like to give you some important information about membership. Some of these can also be found in the articles of association, we refer in particular to paragraphs 4,5 and 6.

### **The current membership fees from 2019 are:**

|   |                 |               |
|---|-----------------|---------------|
| Active Adult Tackle                                 | 12,50 €/month   | 150,00 €/year |
| Active Youth / Cheerleader                          | 7,50 €/month    | 90,00 €/year  |
| Active Flag Attack / Peewee Cheerleader             | 6,00 €/month    | 72,00 €/year  |
| Passive Adult / Active Flag Adult                   | 7,50 €/month    | 90,00 €/year  |
| Passive Youth                                       | 6,00 €/month    | 72,00 €/year  |
| Surcharge family member adult passive               | 2,50 €/month    | 30,00 €/year  |
| Surcharge family member Youth passive (15-18 years) | 1,50 €/month    | 18,00 €/year  |
| Surcharge family member child (up to 14 years)      | noncontributory |               |

Membership fees were raised slightly in some cases (active) and significantly reduced in others (passive youth). In addition, the family contribution was abolished and converted to family surcharges for passive family members. Married or adults living in a partnership with all children are considered as a family. For families with only passive members a maximum amount of 150,- € will be charged. For more than one active member in a family, a family discount of 50% applies to the 2<sup>nd</sup> and each additional active member. With several active members in different categories (e.g. Youth and Adult), the highest amount is charged in full, the reduced contribution applies to all other active family members. All children, siblings and parents of active members pay only the family surcharges.

For each member a separate membership application must be filled out and all family members must be listed on the back of each application. Upon joining the association, the membership fee will only be charged for the remaining months of the year.

Membership fees are collected in January for the entire calendar year. Upon request, a quarterly payment of the membership fees may be agreed. If a member changes to a new member group due to his or her age, contribution will be adjusted automatically. A new membership application is not necessary. The age is the age on January 1st of the respective year. With issuing a player's license, members are automatically classified as active according to their age and the corresponding fee is charged.

Other membership changes such as change from active to passive, family membership or cancellations must be communicated to the association in writing or by e-mail with a notice period of 30 days to the end of a calendar year. Changes or cancellations received at a later date can be considered in justified exceptional cases.

In order to make it easier for us to manage your membership, we kindly ask you to inform us as soon as possible of any changes concerning your membership, also by e-mail. The current e-mail addresses can be found on our website [www.franken-knights.de](http://www.franken-knights.de)

If you have any questions or ambiguities, the association board and the heads of department will be happy to help you.

Thank you very much

Franken Knights e.V.
